Casa Pereiros - Village house renovation project waiting for your finishing touches

Village house to enjoy a good holiday in the interior of Portugal or for permanent living. This remodeled house consists of ground floor and first floor, with a gross construction area of 72m².

On the ground floor you will find an open space living and kitchen area with a fireplace. The kitchen has connections made and ready to place the furniture to your liking. There is also a garage which you can use for parking or extra living space.

Access to the 1st floor is via an interior staircase. It has a hall, bathroom and 2 bedrooms with natural light.

The house has also potential to be used as an investment for short or long term rental.
