Resbo - Rustic property located 3 kms from the Marateca Dam – Santa Àgueda in Póvoa de Rio de Moinhos

Rustic property located 3 kms from the Marateca Dam – Santa Àgueda in Póvoa de Rio de Moinhos. The size of 9750 m2 makes it ideal to place a temporary or a more permanent structure on the land and live a quiet farm life in Portugal.

The access is excellent for any car and it is only a few meters drive to the village.

Electricity and mains water are close for connection but a self sufficient living solution is also possible with the installment of a solar panel system and the water from your own granite stone well.

The land is decorated with many olive trees and some oak trees. There is one enormous Mimosa tree in the middle of the property that is making a nice feature. Create a relaxation / pick nick place under this tree or build a tiny home tree house.
