Fonte Nova - Property with 30,000 m2 near the town of Oledo, Idanha-a-Nova. Possible to build a habitation with 300 m2

Property with 30,000 m2 (3 hectares) near the town of Oledo, Idanha-a-Nova. Possible to build a habitation with 300 m2, according to the council planning rules and regulations.

The property is flat, great for grazing animals and agriculture. It has a registered rural construction of about 23 m2 with a recent roof. The property also has plenty of water from a large well and a large dam, both with water all year round. Very fertile land for agriculture. It includes fig trees and about 100 large olive trees.

With an excellent sun exposure, this small farm is a wonderful refuge in nature.

A temporary structure can be placed on land like a caravan, another type of mobile structure, and the rural construction can be turned into a tiny house.

Electricity is nearby for connection.

Good access, by a dirt road about 900m from the national road. It is located 18kms from the Marechal Carmona Dam, 10kms from Idanha-a-Nova, with City Hall, in terms of education, from pre-schools to higher education, Health Center, supermarkets, indoor and outdoor swimming pools, with all services essentials that we need in everyday life.

It is 45km away from the Spanish border.
