Sesmo - Rural property with 1 hectare and schist stone construction near Sarzedas, Castelo Branco

Rural property located in the serene countryside of Castelo Branco. Set amidst rolling hills, lush green landscapes, and charming forest area, this property provides unparalleled peace and privacy. With plenty of space for both relaxation and adventure, the property includes a schist stone construction which is registered with 80 m2, complete with rustic charm and ready to be rebuild. The property features adult cork oaks, olive trees and a few small pine trees.

Create your own sustainable water source and the surrounding land offers endless possibilities – from cultivating your own olives, vegetable garden, or vineyard to creating a small-scale (off grid) farm. The fertile soil, combined with Portugal's climate, makes it ideal for permaculture and organic farming.
