Salgueirinho - Off-grid land bordering a stream

Discover your rustic off-grid haven! This charming 5000m² piece of rustic land in the rolling hills awaits you for your off-grid project.

It is accessible by short dirt road, located at the outskirts of a quaint hamlet.

The property itself has a flat bottom part along the stream and a slight slope up to the top part. A well and a bordering seasonal water stream are the natural water sources that can be found on the land. The stream offers not only a soothing ambiance, but also has potential for water harvesting. The land is adorned with various types of trees and plants, creating an inviting environment for the local flora and fauna. The south-facing slope maximizes sunlight exposure, ideal for solar energy and gardening.

This property is perfect for those seeking a peaceful retreat. Temporary structures can be placed on
